NATIONAL UNIVERSITY OF IRELAND
MAYNOOTH

Two Centuries of Excellence in Teaching and Research
Strong Commitment to Academic Values

NUI MAYNOOTH
Ollscoil na hÉireann Má Nuad

National University of Ireland, Maynooth is Ireland's fastest growing University, with a student population of 6,500. It is situated in the historic town of Maynooth, close to Dublin City and the Airport, yet also in the heart of the beautiful county of Kildare. The University prides itself on its student-friendly and staff-friendly environment. It has a strong reputation for its high-quality, student-centred learning environment and has major research strengths in the arts and sciences.

Applications are invited for the following posts:

DEPARTMENT OF HISTORY

■ **DIRECTOR OF THE CENTRE FOR THE STUDY OF HISTORIC IRISH HOUSES AND ESTATES (TENABLE WITH LECTURESHIP IN THE DEPARTMENT)**

Established in 2004, this independently-funded Centre is at the forefront of research and public policy developments with respect to Ireland's inheritance of great houses and the history of their estates. The Director will have extensive responsibilities for the management and development of the Centre.

■ **LECTURER IN HISTORY OF EASTERN EUROPE - INCLUDING RUSSIA (TWENTIETH CENTURY)**

The University and the Department are building academic links with the newer members of the European Union, and with Russia. The appointee will extend the range of specialisations in the History department and will support programmes in European Studies and in Politics.

Salary Scale (new entrants):
Lecturer: €50,499 - €81,861 p.a. (7 points)

CAREERS OFFICE

■ **CAREERS ADVISOR (EIGHT-MONTH CONTRACT POST)**
Salary Scale: €35,144 - €51,349 p.a. (9 points)

Prior to application, further details of the posts, the application procedure and the closing dates for receipt of applications, should be obtained from the Personnel webpage:
personnel.nuim.ie/vacancies.shtml

In making application, candidates should indicate clearly which post/posts is/are of interest to them. Separate application must be made in respect of each post.
